

## Aidan Dobberfuhr

May 5, 2001 - April 8, 2025

Our beloved son, brother, grandson, Aidan Dobberfuhr, passed away in a car accident April 8th 2025. He was 23 years old.

Aidan was born on May 5, 2001 in Gainesville, FL. He grew up surrounded by love and laughter. He was known for his wacky sense of humor, for the funny stories he told and for the deep love he had for his family. He had a sense of wonder for the natural world that led him to taking landscaping jobs during and after he finished his degree in health care administration at USF. He loved to see the results of his work, a well-mowed field, a landscaped yard, the track at celebration point. Aidan's love of the outdoors included recreation. He adored hiking, kayaking, fishing, and biking. He was working on hiking the full Florida Trail. Aidan loved to grill incredible meals for friends and family. He loved to grow things, create things, and do kind things for the people in his life. No project was too large-he could figure out how to solve any problem and charge forward until things were done. He had the ability to keep people motivated long after they were ready to quit; whether it was putting in a new floor, taking down a tree, or hiking up a mountain. There was always music with Aidan, he love to listen and play.

He is held in the hearts of his parents, Angie and Dean, his loving sister, Avery, his Grammy and Pop, Glenda and Bill Hutchison, his Aunt Keely and Uncle Paul Spruill, Aunt Hope and Opa, Dennis Dobberfuhr, his girlfriend Kelli

Boyd and a wide circle of family, friends that he touched with his life.

A celebration of his life will be held on June 21 at Paynes Prairie Preserve Pavillion. From 7 to sunset at the amphitheater we will have a gathering for storytelling and memories. Wear whatever makes you joyful, bring your stories, your memories, your songs and pictures.

In lieu of flowers, donations can be made to NAMI.

“ Angie has been a dear friend since we partnered to teach NAMI classes many years ago. We have shared many sweet laughs at Starbucks telling funny stories about our kiddos, and I'm so honored to have learned about the wonderful qualities that Aidan shared with his friends and family. I know there is a huge community who shares boundless love and prayers for Aidan and his family.
