“ Ms. Dyer, I met at Greater Bethel at a time when I was going through a crisis in my life. She was the church secretary, and I came to assist her during my transition between Jobs. We had a lot of discussions about various subjects. One day I woke up with a serious health problem and she left her home to come and assist me. She took me to the hospital and stayed and prayed with me all day until I was given a room. I was forever grateful to her for prayers and kindness. Thank you, Ms. Dyer, I was scared, and you calmed me with your prayers and word of encouragement, I will never forget you and what you did. May you forever rest in peace.

“ My friend of years gone by in Gainesville. You and I worked in the same facility and oh, how you changed the dietary style... imagine quiche being served in long term care. The residents love seeing you come down the hall with your smile and good cheer. What a day it was when LaTonya came to live with you. Though the years have passed, I can still hear your laughter. Peace and Love to your family. I am honored to call you Friend... Kathy Morgan
