“ Mom you will always hold a special place in my heart forever . You had the best spirit you were so patient and always was a listening ear when I needed someone to talk to . I could tell you anything and you never judged me . I'll never forget our special memories. I love you mom until we meet again .

“ Aunt Carolyn I wish we had taken pictures way back when of you taking me on my first horse horseback ride on your beautiful horse. We would go feed feed Skip and Dan and I bugged you like crazy until you gave in and that's when I developed my love for horses. I'm going to miss our talks and your voice so much. RIH Aunty

Auntie Carolyn you will be deeply missed. You had that special effects on everyone you came in contact with. I remember when we were living in the country. Your smile will light up any room. Only a few called me CC and you were one of them. Your love will never be forgotten. Get your rest 🙏.

Ms. Carolyn I will always remember your cards and letters you sent. You were such a kind soul and sweet person. I will always cherish our conversations and your thoughtfulness in always keeping in touch when you could. I pray that you are reunited with loved ones and you get blessings you so richly deserve. You helped so many and you were always there for everyone. Your forgiving nature and understanding will be missed. Say hello to my Momma and know you've earned your wings. Rest in Heaven Ms. Carolyn until we see each other again. 💔🥹
