“ I served with Crystal and Clarence @ VAMC TAMPA for many years. I used to call them C and C music factory when I saw them in the halls together. Thier collective smiles would light any room. That's how I will always remember Crystal her smile and willingness to be of service to anyone. When you read this Clarence know that your Logistics brothers love you and are a phone call or email away. My condolences to the family. Danny Martinez VA Central office Washington DC

“ In my life, I believe people fall in three categories... those who take more than they give, those who take and give equally and those who give more than they take. Crystal fits the last category in that she was a giver and what I would call an exceptional example of a role model. I've known her for many years and can honestly say this world will miss her. To the family, we share in your loss and pray that you find comfort in the exceptional life she lived

Today is unreal.. today I woke up and the Lord was weeping, i could hear the rain the moment i woke. Today I return you home to heaven.. today I realized that your true home has been in heaven with the Lord and you were only here to visit. To bless us with your presence and save us with your love. I can't explain how this feels, there are no words for this. I love you beyond measure and you're apart of me forever. I can't believe you're not here with me anymore on this earth. But I do believe you are now at peace and will never cry, never be sad and never feel pain again.. i do believe your at the right hand side of the Lord, protected and rejoicing with what the Lord has prepared for you. I can't wait to see you again, until then rest knowing I got Crissy, Joey-Ali, Destiny-Marie, Mimi and Grandpa.. 🙏🌹 Rest heavenly my angel until we see each other again.. “The Lord is my shepherd, I lack nothing. He makes me lie down in green pastures, he leads me beside quiet waters, he refreshes my soul. He guides me along the right paths for his name's sake. Even though I walk through the darkest valley, I will fear no evil, for you are with me; your rod and your staff, they comfort me. You prepare a table before me in the presence of my enemies. You anoint my head with oil; my cup overflows. Surely your goodness and love will follow me all the days of my life, and I will dwell in the house of the Lord forever.”

“ I met Crystal working at the Tampa VA as a new Service Chief back in the early 2000s. She had such a sweet sprit and her smile could light up the hallway. She always made it a point to ask me how I was doing and knew just when to utter a word of affirmation. She will be deeply missed. To know her was to love her and to never forget how she made you feel in an interaction. The angels got a good one. I pray her loving memory continues to bless those lives she touched. Praying for God's strength, peace, and comfort to the family during this difficult time.
