“ Shawn I'm blown by just scrolling and seeing this a day late. You were one of the sweetest girls that I knew at SFH. Being the little sister of Dale you had big shoes to fill and you held your own. Your smile and warm encouraging words are what made you the perfect person in an imperfect world. I will truly miss you as you were one of the best flowers in the garden. My heart pours out to you Dale. Please stay lifted up with all of Shawn's many memories

“ *My mother was truly one of a kind, always there for all who came to her with their troubles. Her home was open to everyone, and her hospitality made them feel important. She was the most loving, humble, compassionate, family-orientated woman and one of the most beautiful souls one could ever meet. I am going to miss you so much mom.* ❤️

“ My deepest condolences to the family of De'Edra Scott. May God grant you comfort and peace during this difficult time. I briefly worked with De'Edra at Rawlings Elementary. I would often retreat to her office when I needed a moment to just exhale and reset for the day. De'Edra's soft spoken voice would immediately calm me, and we always wound up discussing hair care and self care. While De'Edra will be missed, I live upon the promise that she and I will meet again.

*Family, remain encouraged and know that better days are coming!*
