“ Lil one... man I'm gonna miss you. I already miss the way you would ask me for advice, I would give you a little advice, or my opinion, and then you would instantly disagree with my advice lol. You were authentic from day 1, and if there's a story to be told about Dre Butler, I hope all stories are lead with this... "Dre was a real one." Sending prayers and condolences to the fam ❤️ Rich

“ *My deepest condolences to all family, friends, and loved ones. You have been greatly loved by so many. You made my life and so many others lives a better place with you in it. Forever and always in my heart. Your beautiful smile. Your contagious laugh. Your goofy happy energy. You lit up every room as soon as you would walk through the door. How blessed we have all been to have known you. I will miss you for the rest of this life. And I know you're probably laughing at us all, saying "all this for silly little me?" , but your absence will leave a hole that can never be filled. You are so loved. Until I see you again.*
