“ Liz, I remember meeting you when I went to loften. We were both in early childhood from there on I was your little sister. It was definitely an hour because of the beautiful spirit you had. You were beautiful in and out and I just want to say I'm very grateful to even have met your niece and help watch her while she was a baby. That gave me even more time to cut up, crack jokes and see you. So to Mr. Gene and His wife, Audrey, keyashia, , her BABYBOY and EVERYONE else in the family I'm sending love. I can't imagine the pain you all our enduring. I pray God strengthen you all and that Liz makes her presence know while she's still with you all. One LOVE 💜 rest easy beautiful

“ Liz picked up shifts in the NICU at UF Health. I was thankful to have her helping us out when we were short staffed. She was friendly and never had a unwelcoming demeanor about her! I am glad to have known her during her time with us.

“ I've known Liz since middle school and all throughout high school. I needed my hair done for prom and she was the only person I knew who could slay it fast! I literally asked her day of prom. I knew she had so much to do to get herself together for that night. I expected her to say no, but she did not.. She got it done! I did not have a ride home after prom, she volunteered to take me home. She was literally one of the sweetest soul I've ever met! I thank God for placing her in my path of life.

Liz, I love you. ❤️ Your love, your smile, your laugh...just YOU, you are truly missed and forever will be loved and in the hearts of many. Until we meet again, Beautiful. ❤️🙏🙏
