“ 000Fff Mr. Miranda was my science teacher at Eastside High School. A funny guy with an amazing sense of humor. Especially when grading papers. He would tell your grades every Friday out loud during class to each student. 200 vocabulary words to review for a test on Friday. He knew that each student deserved a good education he taught. Go Eastside Rams.

“ To the Bereaved Family of Elroy,  
I was elected Miss FAMU the year of Quarterback Elroy’s most powerful year as a Rattler Football Captain and star Athelete at our beloved Alma mater on the highest of seven hills in Tallahassee \_\_\_ FAMU.  
He was a most delightful gentleman and mentored my dear cousin from Bartow’s Union Academy High School, NFL Hall of Famer Ken Riley.  
May the both REST IN HEAVENLY PEACE.
