“ I remember going to the grocery store and being fascinated with seeing a coconut. I never saw 1 in real life before. Aunt Evelyn purchased 1 for me to take home. 1 thing....she didn't tell me how impossible they are to open. 😭 So I would just shake it to hear the milk on the inside. I didn't learn how to open it until I took my family on a cruise to the Caribbean I really didn't know the impact she had on my life Gonna miss you Aunt Evelyn
