“ *Pastor Gloria and I grew up together in Grove Park. Her love for God, and the foundation of faith we learned, started there. I remember days and times singing in the St Peter Baptist choir. Her love for the youth, officiating over the Easter programs. We shared many laughs together. Our last conversation a few years ago centered on thankfulness and giving honor and praise to God. A life well lived. My prayers and thoughts to the family for comfort and strength. Frances Rawls*

“ *My sister is one of my greatest heroes. As the youngest sibling and the sister closest to my age, I looked up to her and admired her often from afar. She is someone one could emulate as she had a way to touching the lives of everyone she met. My only regret is I wish we had more time together. However, Pastor Gloria was a woman of purpose and her purpose has been fulfilled on earth. I know she'll hear Him say "Well Done," for she was indeed a good and faithful servant.*
