“ To the family of Harold "Huggy Bear" Lee. I had the privelege of working with "Huggy Bear" while we were in the old JSO Vice squad together. He was a pleasure to work with and always had a smile on his face. He was proud to be from Alachua and we often talked about "country life." We got the shift now and you can Rest In Peace. “ *Many people never get to experience the kind of friendship that me and my brothers Van and Artie shared with Harold. Harold showed us the kind of friendship that comes only once in a lifetime. It was the kind of friendship that exhibits genuine care, commitment, dedication, understanding and yes, brotherly love. So on behalf of my brother Van and I, we would like to express our deepest sympathy to the family. Sincerely, Van and Emmray Hope*
