“ Harry was such an amazing man in my family's life. He was my mom and dad's best friend and was like a second father to me and my sisters. He was always there for us through all the hard times and good times. He would take me to elementary school in his police car and walk me to my class holding my hand like I was his own child. He taught me and my sisters so much about life and how to laugh at life and how to treat people with respect. I am so sorry for your loss and my heart breaks I am not able to be there to say my goodbyes to him. I am so thankful he was able to meet my son and be a part of my dad's life after the loss of my mother. I know they met each other with a smile, laugh and hugged each other tightly. He will be missed greatly and so thankful for all the time I got to spend with him and know him in my life. Love, Lara Freeman Falkenstein
