*Marva, I reflect back on your wonderful marriage to Bernard and closely compare it to the 40 + years of marriage I have been blessed to have with my lovely wife Susan. How truly blessed you are! Marva and Bernard, you two had True Love that makes marriages solid and last. I am going to miss hearing stories about the next adventure you and Bernard had planned and what you were going to eat. True road warriors! Bernard my friend , you will be dearly missed by all, but will never be forgotten to all the people and lives you have impacted in a very positive way. God bless you and we love you! Rob Ramirez*
