“Wow!! This is so hard to believe. Judy and I worked together for so many years at Florida Blue. I could always remember her birthday and how old she was because we were both born in August and she was exactly 10 years older. Judy taught me so many things while we worked together in the Medicare department. She taught me how to be detailed in my review of materials and how to things worked together through out the EOC or ANOC. Judy had a big big heart. My sincere condolences to her family especially her daughter and grandson. She loved them deeply. I will miss you Judy. Take your rest now. Love Vera
