“ Today I honor my step-dad.. one of the funniest people I've ever met. Man, every day with him was a happy day. Life truly hasn't been the same since he passed. 💔

One memory I'll never forget is when he had me and my mom going to the car lot to test drive a motorcycle knowing good and well he couldn't even ride it 😂 Boy oh boy, that was him... always making us laugh and creating memories we'll cherish forever.

My step-dad loved my music too. Every time we got in the car he'd ask me to play something. Those little moments mean everything to me now.

He came into me and my siblings' lives and loved us like we were his own. When we felt like we had nobody else, we had him. Because of him, we learned so much about life, love, family, and strength. He truly changed our lives for the better.

I'll forever keep his name alive, just like he told me to. Rest peacefully. You will always be loved, always missed, and never forgotten. 🕊
