“ To the Cummings/Cohen family I send my love and prayers from a far, how I wish I could be there during this sad but joyous occasion of the home going of our dear Mother Lillian Cummings. Her life's work down here on earth has been completed and God knew she had completed a great job down here on earth, leaving behind her words of wisdom and her love for family and God. I love you all and if you need me after and in the coming days, feel free to call me. Your cousin, Kimberly Cohen. Love you all so much.
