“ *In Loving Memory of Mable Watts Berry*

I was deeply saddened to hear of Mable's passing. I was blessed to have seen her recently and it meant so much to catch up after so many years. Mable and I were co-workers at the VA hospital and she was also like a sister to me.

Years ago, she invited me to her family's church, and that single act of kindness changed the course of my life. As a young man, new in town, I was embraced by her family and the Newnan's Lake COGBF with a love that left a lasting imprint.

Mable's warmth, faith and generous spirit created ripples that extended far beyond what she ever realized. I am forever grateful for her role in my life and for the love and acceptance I found through her.

To her family: thank you for sharing Mable. My thoughts and prayers are with all of you during this time. I pray that God gives you the strength to face the difficult days ahead.Richard L. Walthour

I shall cherish the memories of this faithful soul...who came into my family life at time that will never be forgotten. Her heartfelt "soul" is a beacon of

*"Light" for the "Council Family"
of "Calvary Missionary Church"*

Santos, Florida. A friend, sister,

and beloved "Mother" First Lady she leaves all of with an

Impeccable memory as a servant of "God's Will" to be sketch in our hearts and memory "Well Done". Her voice

will continue to echo in each of

us as she sings to our hearts...

"His Eyes Are On The Sparrow"

And we know she watches over us...(Angel).
