“ *Maria Zayas Was a wonderful Person who filled people's hearts with Extraordinary Joy & Changed lives for the better (Including mine). She's at peace now. I know for a fact Maria is By God's side with Angels just like her. Heaven is now a even better place Just because of Maria's presence.. This should not be a sad day. Maria wouldn't like that. This day should be a celebration of her life. To her family and friends Please take Comfort with her legacy, That will indeed live on in us. Through all the great memories of her. Maria always taught us Important things in life. For example, she showed me that Miracles are very real. I will always be grateful for that. Thank you Maria... Sincerely Jason Davis*
