“*Sis. Mattie DeSue inspired me years ago when Shands and Alachua General hospital combined. I was so impressed with her professionally seeing a black female professional picture large, in color on AGH shuttle van. Later in life being a deaconess @ Mt. Moriah. We had this private name for us she was Mattie #1 and I was Mattie #2. She always made me feel good spiritually and professionally. Much love, Mattie Crawford #2*
