SL

“ I remember seeing that smile a many days when I came to my Aunty Gigi house. He made sure lunch and apple turnovers or cinnamon rolls was always ready when I came home. We would play music and he would do a little dance and smile and laugh. He loved to cook and sew and always a joy to be around. I would see him and he would say Deuce with a Big Smile. Oh how I love my Uncle Michael. You will truly be missed.
