“ Uncle Mose and my Aunt Sook “Susan” were my favorite Uncle and Aunt. Every time I would see Uncle Mose we would give me a hug and he would greet me saying “hello Bobbie, “MY FAVORITE NIECE” I found out recently from my other cousin’s that he would say the same thing to them. When we shared this with each other Lo, Freda and I had a big laugh and said that something Uncle Mose would do 😂😂😂

Every Summer I would go to Micanopy to stay with my Grandparents Rebecca and Eli Stewart and of course I had to spend so of my time with my Uncle and Aunt. I love walking from Grandmama’s house over to SAND ALLY. Going to the Baseball games between the women, young ladies and the men and young men was my favorite past time. That was one of the highlights of my childhood visits. I loved eating pickled pig feet and those big dill pickles. All those years ago I met one of my best friends Judy. We had no idea all those years ago that one day we would become Sister-in-Laws. I would also stay with her Aunt and Uncle Ed and Pauline Glover. They were wonderful friends to my family especially my mother Dora aka “DOPE”. My mother would often tell us about her childhood, Judy’s Aunt and Uncle was also apart of my mother and her brother Alfred lives when they were children. Judy and I have been friends and Sisters for over 60 yrs. I made other people who also became lifetime friends whom I went to high school with. I have lots of memories from my childhood visits with family and friends during my summers in Micanopy. I will cherish them always. My Uncle Mose was one of the pillar in the community. He and my Aunt Sook were entrepreneur’s in the community. Uncle Mose loved the neighborhood children. Along with Lil Mose and Ron he would transport their friends to ball games and the Tampa Fair which is still held in Tampa yearly. We all looked forward to those trips 😊😊😊  
😊. I could go on and on about my love for my Uncle and Aunt.

Those memories will be with me forever. I thank God for my grandparents, uncle and aunt and folks like the Glover’s and other parents who were role models in my life. They helped my mother who was a young widow raise six young children. They all were instrumental in helping me become the Godly woman I am today.

*Uncle Mose rest in heaven, your journey on this earth is done, take your rest God's good servant. Sook and the family were there to welcome you. Until we meet again in paradise, you will be missed but, never forgotten.*

*One of your FAVORITE NIECES!!!!!!* 😂😂😂😂

*Barbara aka "Bobbie"*
