“ *My deepest condolences to Demetria and her family. I had the honor of being with Demetria when her grandmother called her while at school. From what I've heard, Ms. Pearl was an amazing woman. May God continue to strengthen and keep you all in His loving care.*

“ To the Holmes Family you have my condolences. It has been a blessing to work with the family at a time like this. Mother would be proud of you all. Even in her last minute you all were embracing her, playing music, whispering in her ear. Telling her how much you loved her, that was how I remembered that day. It was a pleasure working with the family in saying that, Mother would be proud of you all. Cherish the memories. To live is Christ, to die is gain. Love you all.
