“ *When I learned of Quentin's passing, it came as a huge shock of sadness. He was my fitness trainer for a few years and I looked forward to each session with him. He was a wonderful trainer but he was a great human being. He was so vivacious and cheerful. We exchanged musical notes and he was thrilled to attend a concert with my wife and me. We also discussed philosophy and science. My sincere condolences to his immediate and extended family, he often talked about them. May they all have the strength to bear this loss.*

*I was blessed that such a rare gem of a person came into my life for a while; but I am deeply saddened that he has moved on...*

“ I'm truly saddened to hear about Quentin's death. He was such a positive, optimistic individual who brought joy and energy to training sessions. He would come in with a written quotation along with the exercise menu for each session. I was as inspired by him as I was by the quotations he chose. He never complained and always expressed gratitude for what he had. He had an open mind and welcomed conversation on any topic. He was interested in all cultures and even attended a concert at UF about which we had chatted. My sincere condolences to his family on the loss and may God give you the strength to work through the grief. It was a pleasure and privilege to know Quentin and he'll always remain in my memories.

We had wonderful conversations about faith, politics, exercising, health and just about everything that came up in the news! The loss of Quintin will be a loss for everyone who knew him. He'll not be forgotten. May you rest in peace. Quintin. No more epilepsy worries.

“ Quentin you're "Finally Free". No more pain, sickness, worry or grief. You've soared like an eagle. You were a leader, teacher, mentor, son, grandson, godson, brother, husband, father, nephew, uncle, cousin and friend. You've loved unconditionally, you've trusted even when your trust was broken, you've stood 10 toes down for your wife, kids and family. Even though I just don't understand I have to trust that it's God's plan. I love you down in my soul. I'm so proud of the man you were raised to be. Gone way too soon, but your memories are embedded in our hearts. Until we meet again. Take your rest my beloved son.  
Love always mom

“ Still can't believe Quentin is gone. He had an infectious smile and laugh. He was easy going, kind, funny, extremely humble and genuine. The world has suffered a great loss; he touched so many lives.

One of many memories I have of Quentin, is his famous fruit pizza he use to make. He never got tired of us begging him to make it. He eventually taught us how to make it, but I have to admit mine never tasted as good as his.

Sending healing prayers and comfort during this difficult time to his loved ones. With heartfelt sympathy, Sunya

“ Quentin was such a talented, kindhearted and amazing friend. Focused and driven is an understatement. We were like brothers ever since the 6th grade and through college at UF. I only applied for UF early decision because Quentin did, I just wanted to be like him. This one really hearts my heart because we reconnected over our kids and I knew he was going to love being a father as much as I do. Sending prayers to the family 🙏🙏🙏

“ Best friend since 6th grade... He stood up for me when I was wrongly kicked off the bus. We've been friends ever since. We've been through up's and down but one things stayed constant. His will to succeed. I love you bro, save me a seat. You were always one step ahead of me.

“ *Quentin was such a wonderful part of our lives during his high school years. We kept in contact all the years since and I'm heartbroken to hear this sad news. He was so proud to tell me he was getting married and then to have his beautiful daughter and son. I will keep his whole family in my prayers and I know the Lord will watch over them and give them strength to go on without him here. He will always be here in spirit. God bless Ritza and the children, his mom Elizabeth and his whole family 🙏*
