He was never like that with me. EVER. Sadly they both had an addiction and when provoked under the influence people do things out of character.

“ This is heartbreaking two young lives gone. Everybody loses... He took such a beautiful soul. I can see she was wonderful & I don't know either of them. And he was taken because of his actions. Wish he would not have done this. He hurt her family and friends as well as his. That's so selfish. Though there's nothing to say that can ease this horrible pain. But I do pray 🙏 everyone who is affected that God gives the strength to get through this difficult time.
