*“ Russia was a gentle soul, and a woman of faith. We prayed, cried and laughed together! I met Russia through her mother and later became AJ's godmother after learning of her pregnancy while working in my salon. Our family served the Lord and fellowship together before moving to Atlanta. Russia was a strong woman. I watched her persevere and overcome life's challenges with grace, never folding always in humility. She is missed. To be absent from the body is to be present with the Lord.*
