“ Aunt Susie, your delicious dishes will be sorely missed. Not only were you an incredible cook, but you also had a way of making everyone laugh. Your sense of humor could brighten up even the gloomiest of days. You touched the lives of so many with your love, realness, and personality. Rest in peace, Auntie. I thank God for crossing paths with Londa. For that, I gained a whole new family who cared for and loved me as if I were their own. I love you all! Wish I could be there in person to hug and comfort the family. With Deepest Sympathy.
