“ To my Benson and Twitty family I'm at a loss for words right now! I know God is so wise to make mistakes and He only takes the best! His garden needed a lovely Rose and babygirl was His pick! She's blooming bright in heaven looking down on us below! The garden sparkling bright with colors all aglow for babygirl was the missing Rose to make the garden show! Now God has planted her feet to shine forever more in His garden of plenty, where she never shall grow old! We'll feel the light within our hearts of her beautiful smile and sweet sparkling eyes and remember the precious memories and hold them forever more! Now take your rest beautiful child we loved you but God loved you best! So until we meet in the heavenly skies rest peacefully on Jesus breast! I'm so sorry babygirl can't be with you all in body, but her spirit shall forever be in your midst. So think of her with happy thoughts and remember her beautiful smile! God has a plan for all our lives and babygirls was to be with Him! He promises never to leave us alone. May God wrap you in His loving arms around you and give you comfort and peace! Prayers, Love and Blessings!  
Lovingly submitted,

“ We met in a crazy time during our lives and instantly became close. We kept each other strong in times of need. You've been in my life less than a year but made such an impact. We had plans! Spoke about our future and kept each other up! I know your beautiful soul is finally resting. You will forever be missed and loved!
