“ *As the years passed, life pulled us in different directions. There were stretches of time where we didn't speak as often, when careers, families, and distance got in the way. But the bond never disappeared. It waited quietly in the background, steady and unbroken. And when we found our way back to each other, it was as though no time had passed at all. That's the kind of connection we had—effortless, timeless, and grounded in love. Cousin Alphenia and Family*

“ *Sister Pat, Patrick, Monte and Family,
Our paths crossed in Okinawa, Japan 1980, where we grew in our
community and at Camp Kuwae Gospel Church. How time flies. But
memories last. We are thankful for many fond memories of your
husband and family. Please know our thoughts and prayers are with
you and we are here any time you need us. May God's peace
through Christ our Savior be with you and comfort you. May our
brother Tommy rest in eternal peace.*
