“ Those we love never go away
they walk beside us every day.
Unseen and unheard but always near,
still loved still missed and oh so dear.

What an amazing and awesome woman of faith and love. Tish gave me so many opportunities to sing for her during the many programs she sponsored for her baby "The HELP program". I will be forever thankful for her love and support. wish i could be there today to celebrate her life.

Forever in my heart,

“ Auntie Tisha!
I thank you for welcoming me into the family. When we first met you made me feel welcomed and loved from day one. You always lifted me up and offered words of encouragement. You always spoke life into others even when you did not feel your best. You are the true definition of strength and beauty. Although you are no longer here in the physical, your spirit will forever live on through your family and friends. I'm so grateful I was able to see you before you transitioned. May God offer peace and comfort to your loved ones. Psalm 34:18 "The Lord is near to the brokenhearted and saves the crushed in spirit." A woman of God you were! May you rest in peace forever and now reunite with your late siblings. Until we meet again...faithful, obedient child of Christ.
Love, Nia ❤️🙏

“ For many years, Ms. Tish was the face at the window for the many many Children's Medical Services (CMS) patients and family members.

Many of us in the UF Health Shands family, remember Ms. Tish for her warm, caring, and friendly demeanor. She was a friend to many.

It was a distinct pleasure, to know her and how she encouraged so many families.

My sincere prayers and condolences go out to Ms. Brenda, Sonya, and Mr. Aaron, along with the entire McGlou family.
