“ Asa was our next door neighbor for some years in Gainesville, FL. Or I can rather say we were his next door neighbors, because when we moved to the outskirts of Gainesville, Asa already lived there for many years. We moved out a few years ago and returned a few months ago to say hi. Unfortunately we were shared the sad news that he had passed away a few months before. It was a pleasure meeting Asa. He had a very good relationship with us, especially with my father. Our sincere condolences to his family and close friends. May he rest in peace. God bless you all. Jorge Perez, Serafin Perez and family.
