“ Zaron, you have been apart of our family since you was a year old and we have loved and treated you as such. Before granny died, you was her pride and joy. Now, you can be with her, your biological mom Teresa Brown, and your Teedie. To your parents, I'm so sorry and I pray that God gives y'all strength to get through this. As someone who loved and treated Zaron like my nephew since the day we met him, this truly hurts. Nephew, tell granny Minnie that not a day goes by that she isn't missed. I love you nephew!!! May you R.I.P <3
